CONSTELLATION

ADDRESS

117 RUE DE LA TOUR • PARIS 16^e

For this new edition, Private Choice will be held from October 19 to 26, 2025 in a unique location: a Gothic mansion at 117 rue de la Tour, Paris 16th.

Faithful to its singular spirit: revealing artistic universes in an intimate setting, far from conventional formats. This confidential space offers an eclectic journey, inhabited by history and ready to welcome the most contemporary forms of creation, brought together under the theme « **Constellation of talents** ».

Conceived by **Nadia Candet**, the project's conceptor, this new edition unfolds in a sensitive and poetic journey where contemporary art dialogues with the most current design. More than **30 artists and designers**, both emerging and established, French and international, come together to present a constellation of singular expressions, including paintings, sculptures, ceramics, rare objects and furniture. Each creation is a door opening onto a world, a voice, an intention.

Private Choice offers an **immersive and collectible experience** with the possibility for visitors to discover and buy artworks. And to enhance the exchange, a **mediation team from the Ecole du Louvre**, or the artists themselves, accompany visitors on an aesthetic and sensitive exploration.

Private Choice, more than an exhibition, is a way of living with art.
