

Private Choice, October 18-25, 2026: A Kaleidoscope of talents in the heart of Paris 1st.

For its **19th edition**, **Private Choice returns at a new address**. This year, the event opens its door in one of Paris's most vibrant cultural districts : the **Palais-Royal district, across from the Louvre Museum**.

Nadia Candet and her team take over an elegant Haussmannian apartment, transforming it into the setting for their signature imaginary and ephemeral collection. Specially curated for the occasion and entitled « **Kaleidoscope of talents** » brings together more than 40 artists and designers.

Guided by an unmistakable eye for talent, **this 19th edition** once again offers the singular experience that is Private Choice's signature and has won over so many: an immersive journey through a selection of art and design pieces that is both discerning and generous in its eclecticism, with opportunities to **meet the artists and acquire the works that capture your imagination**.
